The H100 Latina Giving Circle at Texas Women's Foundation requires program alignment with the Foundation's core values.

We value:

- Integrity
- Inclusivity
- Intentionality

Decision Making Criteria

H100 Latina Giving Circle encourages agencies to consider the following questions in reference to the program for which they are applying for funds.

Does the program:

- Effect long-term, positive changes in systems that currently prevent Hispanic people from reaching their full potential?
- Expand choices and opportunities for Hispanic communities?
- Use evaluation tools that include measurement for effectiveness with clear definition of program success?
- Explicitly address the particular and unique needs and challenges of Hispanic communities?
- Effectively use volunteers and board members?
